

THE NEW JEWISH HOME | Kittay Senior Apartments

THE RIGHT HOME AT THE RIGHT TIME.

Kittay is an independent living community where tenants can live on their own, in a place that encourages their independence, their creativity, and their spirit – all with the level of support that's right for them.

"I love that there's so much to do. It's like a little New York City."

We are New Yorkers.

That's why we help you live life on your own terms, in the city that we all love.
The best way to experience what makes Kittay a better place to live is to see it in person
