

About Lisa Soloway and LiftUp Young Lives...

Lisa Soloway is not only the Treasurer of our Board of Directors at Ready for Life, Brevard, she's also the CEO of LiftUp Young Lives and one of our original community resource partners. One of the first RFLB clients referred to LiftUp is thriving and moving in a life-changing direction as she continues to receive the amazing educational, emotional, life and social skills provided by LiftUp.

"LiftUp is designed to help young people realize their purpose and give them the tools they need to succeed in life. This program is intended for teens and young adults who are aging out of foster care, homeless or rescued from human trafficking.

The curriculum is developed specifically for young people transitioning to college and adulthood. LiftUp will help students unlock their potential and promote balanced personal development in five different areas of growth which we call Success Pillars: Life and Social Skills, Financial Responsibility, Leadership and Spiritual Empowerment."
