

Small Gardening for You & Your Child

April 25, 2026 Noon - 4 PM

A Hands-On Earth Care Festival

Experience the joys of gardening with your child through fun activities, nurturing connections, and an appreciation for nature's beauty. Families will leave inspired to grow fresh, healthy food and cultivate habits that care for the Earth.

Free for All

Open to the Public. No Registration.

Children will enjoy interactive activities, from planting seeds to decorating garden markers, and can even take home free prizes to continue their green journey.

Join us for an exciting event!
Connect with nature, family, and friends.
