## Can I Trust God with My Health?

This study invites us to address a variety of questions about health and faith, by looking at Scripture, theological positions, the reality of the world around us and our own lives. We will make time to discern how the answers to these questions alter our relationship with God. Finally we will choose how we want to apply our leanings. Some of the topics included are Health, Disability, Stress and Sleep.

Once you sign up for this class, please pick up your reading materials at the church office. Suggested Reading Materials contribution: \$6.00.

**Thursdays at 10:00 a.m. July 25 to August 29 Conference Room**

**Learning to Pray** is a summer six week study led by Rev. Richard Northup. During this study we will learn practices of prayer from many traditions and times. This study invites us into a living relationship with God, and will help us pray in traditional, as well as new and exciting ways. The class will be using Teresa A. Blythe's book, **"50 Ways to Pray."** Purchase of a book (\$12.50) is optional, and they are available in the church office. The study is on **Wednesdays, at 11:00 a.m.** and runs until July 17th. The class will meet in the Fellowship Hall Meeting Room. You may join anytime.
