A Word from the Pastor

Dear Friends,

Our journey through the book “Real Faith for Real Life” by Michael Foss has been very helpful for the classes that gathered each week to share our lives and faith journeys with each other. I hope the messages on Sundays have also blessed those of you who were unable to join a class.

As we have come to the close of this series I wanted to share with you some of the “Signs of Spiritual Growth” that are printed on the last two pages of the book.

These are simple ways to assess whether you are still growing your spirit – something that John Wesley, our founding father, would call “Going on to Perfection.” Another word for it is sanctification – being more and more filled with the love of God and love of neighbor. This is meant to be a lifelong process - a process that does not end when we reach a certain age or stage of life. I find some of Foss’s statements to be especially helpful:

Signs of Spiritual Growth

I find that I am able to trust God sooner in difficult circumstances.

I find that I am able to accept God’s forgiveness and let go of a wrong I have done earlier than before.

I find that I am willing and able to forgive others more quickly and easily than before.

First, I make the decision to forgive.

Second, I act as if the forgiveness has taken place.

Third, my feelings catch up to my decision and behavior.

I accept failure more easily and learn from it.

I find that I am less inclined to try and control others.

I am less judgmental of those who are different than me, or who have difficulties I cannot understand.

I find that I am speaking and listening to God through the day.

I am more frequently and freely generous with my resources – especially my money.

God speaks to me through the Bible.

I have a group of friends with whom I can be spiritually honest and real.

Prayer is my first response to human need.

I like the way Foss has chosen to word these. “I find I am able to trust God sooner...” Accept God’s forgiveness earlier...” Those modifiers speak to my heart, and the truth of my gradual and uneven faith journey. Each aspect of the spiritual life is part of a process that is sometimes also a struggle. I’m so grateful God never gives up on me!

I know I do better at all of this when I strive to live out the marks of discipleship: praying daily, reading the Bible daily, worshiping weekly, serving within the congregation and beyond; gathering regularly with others in small groups to share our journeys; and giving generously.

My prayer is that we will, more and more, do these things both regularly and together, so that we begin to truly understand what we mean each week when we say “I am chosen. I am blessed. I am loved.” — “YOU are chosen. YOU are blessed. YOU are loved.”

Blessings,

Pastor Deborah

UMCOR TEAM - THANK YOU SHUMC!

The 2019 SHUMC UMCOR Mission Team is especially grateful for all the support we have received from our congregation and the community in receiving funds to send our team to work at the UMCOR West Depot. We have a 10 member team traveling to Salt Lake City in October, and will build disaster kits for UMCOR.

The UMCOR West Depot has requested assistance in sewing shorts which are not a part of an official UMCOR kit, but are used in a vital mission setting here in the USA and Tonga. We are very thankful to the Sew Happy Group and members of our congregation that have been supporting this effort.

UMCOR - APPLEBEE'S FLAPJACK BREAKFAST

The April 6th Applebee's Flapjack Breakfast was a success for our UMCOR Mission Team.

We cleared \$698.55. Thanks for everyone's support.

THANK YOU FROM UNITED METHODIST WOMEN

UMW would like to thank the congregation for helping us put together 48 Easter Baskets.

Some of those baskets were given to "A Mighty Change of Heart," an organization that helps children who are transitioning into foster care. The rest were taken to Valley View Food Bank where they were added to food boxes given out during Holy Week. We hope you enjoyed doing this project with us. We know you made some children very happy!

UMW would also like to thank our church family for making our Spring Bake Sale a great success. Because you bought our goodies and donated extra funds, we netted \$516.00. All these proceeds will go to the mission work of our organization. We are thankful for your continued support and for the support and blessing of our pastors. We could not do it without you!

Blessings, Sandy Bradley, UMW President

UNITED METHODIST WOMEN THANK OUR CONGREGATION 2019

The United Methodist Women here at Shepherd of the Hills thank you for your continued support of our Mission Candle Fund. It is your way of being able to honor an event while helping us do our mission work, and we feel the recognition of this mission is an important part of each weekend service.

Each time you light the Candle to celebrate and remember an occasion or a special person or persons in your life, the funds you give for this go directly to the mission work of our Unit.

The Mission Candle recognition began in 1995, a vision of Sybil Brockman and Roberta Kaye. Since 1995, you have helped us donate \$68,956.03 to various charities and mission projects locally, nationally, and internationally.

Last year in 2018 you gave \$1,132.00 and United Methodist Women donated \$1,000 to the following organizations:

Red Bird Mission Conference, StreetLightUSA, Sunshine Angels, UMOM, DOVES, and Justa Center

If you would like more information about these charities and missions, please ask a UMW "Team Member." If you have an idea about a mission you would like us to sponsor, please let us know. There are so many in need today!

The United Methodist Women of Shepherd of the Hills are truly grateful for your continued support of these special mission projects.

Jan Bosio,
UMW Treasurer

PARDON OUR MESS! WE ARE UNDER CONSTRUCTION!

In April we converted from a very old and no longer supported version of Shelby, a church management system, to ShelbyNext, the latest and greatest model. As with any data conversion, we are discovering ways that this move was successful and ways that it was not so great. It will take us some time to work through the many changes and offer the same

functionality we had before.

Please pardon our mess, and grant us grace, as we slowly discover amendments we must make to our practice to continue doing what we have always done.

Documented Asylum Seekers Help

Since the sermon by Rev. Billy Still, a number of SHUMC members heard a presentation by Lutheran Social Services at Lord of Life Lutheran Church regarding these asylum seekers. Several United Methodist Churches are now involved in providing care to these persons.

These documented asylum seekers are persons who have completed an initial interview with ICE. They have been determined to have met ICE criteria to hold an

Alien Card. This card declares that they are in the United States legally. These persons must have a sponsor that has agreed to support them and get them to another ICE interview within 10 days of being released by ICE here in Arizona. In most cases the sponsor is a relative living somewhere in the United States. When these asylum seekers are dropped off at the bus depot by ICE, they have no clothes, food, money or transportation to get to their sponsor and have their ICE appointment. The UMC churches are housing the asylum seekers one or two nights until transportation can be arranged to get them onto their sponsors. Prior to leaving, they are able to shower, given some clothing, meals and other items identified that they will need for their trip.

At a joint meeting of the Mission Committee, Church & Society, and Opening Minds Group, it was decided to provide needed items identified by one of the UMC churches in the West Valley. During the month of May, the Mission Committee with the support of Church and Society and Opening Minds Group will be collecting rice, beans, granola bars and pre-packaged snacks. The churches providing care also need volunteers to assist with preparation of meals and playing with the children. More information about volunteer opportunities will be provided later. You are encouraged to support D.A.S.H. SHUMC's effort to assist our sister UMC churches in this effort.

RUMMAGE SALE UPDATES

The rummage sale is important for a number of reasons and we certainly couldn't be so successful each year without the work of our volunteers. One of those volunteers is Sand'ee Spears who is in charge of books. Books come in regularly – more frequently than all the other donations. Sand'ee works throughout the year organizing the books so that when the rummage sale rolls around, she and her assistants can get the books displayed and setup appropriately. Sand'ee appreciates her regular assistants who work throughout the sale process and we thank them: Mary Jane and Ed Banfield, Mary Ann Kinser, Sharon Eggebrecht, Don Middleton & Donna Grove. Sand'ee needs help throughout the year both with organizing and moving the boxes. So the purpose of this part of the update is to make a plea for that help and support. If you think you might be interested, please contact her at 623-546-6775 or me at the contact info below.

As stated last month, Sort & Pack Dates are **May 3, Sept. 6, Oct. 4 and Nov. 1**, which means you can drop off items in the Fellowship Hall or the containers the week prior. So for the first date, you can drop off 4/29 – 5/2. If those dates do not work for you, the containers will be open the 2nd and 4th Tuesdays each month for items to be dropped off.

The other important rummage sale dates are: **set up 11/1-11/2, 11/4-11/6 and sale 11/7-11/9.**

Just a reminder that the items we can't accept are tube TVs, full size appliances, day or hide a beds, large entertainment centers, very heavy/bulky items, and items that are stained or torn. A good rule of thumb to think about is, "if you wouldn't give it to a friend, then don't give it to the rummage sale."

We have three volunteers who are taking requests for pickups and they are: Marian Hamman, 623-243-7666 or marianhamman@hotmail.com; Mary Ann Harris, 623-544-7135 or mah31rlh@gmail.com; Betsy Maple, 573-231-5877 or lochladylady@yahoo.com. Feel free to contact any one of them and they will provide more details on the process.

Any other questions or if you want to volunteer, please contact Pat Burke at 623-748-3751 or patburke48@gmail.com.

Trustees Going Forward: One Step At A Time

The Chapel fire alarm system is progressing. The bidding process is complete, a contractor has been chosen, and the cost is under budget. There is an engineering review process and two levels of code authority to satisfy. It will likely be several weeks before installation takes place. **Thank you to the Imagine 40 More Years Campaign for making this possible.**

A new Chapel audio system and video projector will also be installed in a few weeks to improve the overall Chapel worship experience. Planning has been going on for the last year or more with the goal of providing more understandable sound and improved VEW experience. Funding comes from designated funds.

The beautiful new flower garden is in place around the electronic sign thanks to master gardener Kelly O'Neal and mom, Patty. It is another reflection of caring and pride in our Church campus.

Many other projects are in progress as we prepare for summer and beyond.

Thanks be to God for our many blessings and the faith to respond, not just hold on.
