

*To schedule your **FREE** sessions, call 239.658.3185*

FREE Behavioral Health Sessions for Essential Workers

This program allows essential workers **up to 3 free mental health sessions** with a behavioral health provider via telehealth or an in-person visit at a Healthcare Network site.

Essential workers include but are not limited to:

<input type="checkbox"/> Healthcare workers	<input type="checkbox"/> Teachers
<input type="checkbox"/> First responders	<input type="checkbox"/> Agriculture workers
<input type="checkbox"/> Essential retail workers	<input type="checkbox"/> Transportation and delivery workers
<input type="checkbox"/> Restaurant workers	<input type="checkbox"/> Maintenance workers

Our behavioral health providers understand the challenges and rewards of providing selfless service, as well as the significant stressors you may be experiencing as a result of the pandemic. If you have any questions regarding this **FREE** service, please call us. **We are here to help you.**

Programs ends Nov. 13, 2020
