**Florida Department of Health Updates New COVID-19 Cases,
Announces One Hundred Thirty-Nine Deaths Related to
COVID-19**

***~374,920 positive cases in Florida residents and 4,699
positive cases in non-Florida residents~***

TALLAHASSEE —The Florida Department of Health (DOH), in order to provide more comprehensive data, releases a report on COVID-19 cases in Florida once per day. The DOH COVID-19 dashboard is also providing updates once per day. The state also provides a report detailing surveillance data for every Florida county, which is available [here](#).

In order to make the daily COVID-19 report easier to download and more accessible, the daily report will now separate case line data in a separate PDF. Both reports will continue to be updated daily. The case line data report is available [here](#).

Test results for more than 102,100 individuals were reported to DOH as of midnight, on Tuesday, July 21. Today, as reported at 11 a.m., there are:

- 9,785 new positive COVID-19 cases (9,676 Florida residents and 109 non-Florida residents)
- 139 Florida resident deaths related to COVID-19

On July 21, 10.55 percent of new cases** tested positive.

There are a total of 379,619 Florida cases*** with 5,345 deaths related to COVID-19.

Since July 21, the death of one hundred thirty-nine Florida residents who tested positive for COVID-19 have been reported in Alachua, Bay, Brevard, Broward, Citrus, Clay, Collier, Columbia, Dade, Duval, Escambia, Franklin, Hendry, Hernando, Hillsborough, Indian River, Lee, Leon, Marion, Nassau, Orange, Palm Beach, Pasco, Pinellas, Polk, Putnam, Santa Rosa, Sarasota, Seminole, St. Johns, St. Lucie and Volusia counties.

Florida long-term care facility data:

- The list of long-term care facilities with active COVID-19 cases is available [here](#).
- The list of long-term care facilities with deaths is available [here](#), which is updated weekly.
- To date, 2,495 individuals that were staff or residents of a long-term care facility have died.

The antibody COVID-19 test results report will be provided once a week and contains county, race and lab information on antibody COVID-19 tests conducted in Florida. The report for antibody tests conducted by private health care providers is available [here](#) and the report for antibody tests conducted at state-supported COVID-19 testing sites is available [here](#).

More information can also be found [here](#).
