

FOR IMMEDIATE RELEASE August 10, 2020

Contact: Joint Information Center on COVID-19 for the State of Florida (850) 815-4940, ESF14@em.myflorida.com

**Florida Department of Health Updates New COVID-19 Cases,
Announces Ninety-One Deaths Related to COVID-19
~531,217 positive cases in Florida residents and 5,744
positive cases in non-Florida residents~**

TALLAHASSEE —The Florida Department of Health (DOH), in order to provide more comprehensive data, releases a report on COVID-19 cases in Florida once per day. The DOH COVID-19 dashboard is also providing updates once per day. The state also provides a report detailing surveillance data for every Florida county, which is available [here](#).

In order to make the daily COVID-19 report easier to download and more accessible, the daily report will now separate case line data in a separate PDF. Both reports will continue to be updated daily. The case line data report is available [here](#).

Test results for more than 58,100 individuals were reported to DOH as of midnight, on Sunday, August 9. Today, as reported at 11 a.m., there are:

- 4,181 new positive COVID-19 cases (4,181 Florida residents and 0 non-Florida residents)
 - 44 non-Florida resident cases reported since Sunday, August 9 have been determined to be Florida resident cases through epidemiological investigations
- 91 Florida resident deaths related to COVID-19

On August 9, 8.60 percent of new cases** tested positive.

There are a total of 536,961 Florida cases*** with 8,277 deaths related to COVID-19.

Since August 9, the death of ninety-one Florida residents who tested positive for COVID-19 have been reported in Broward, Dade, Duval, Gilchrist, Hernando, Lafayette, Leon, Levy, Manatee, Martin, Palm Beach, Pasco, Pinellas, Polk, Putnam, Santa Rosa, Sarasota, St. Johns, Suwannee, Taylor and Volusia counties.

Florida long-term care facility data:

- The list of long-term care facilities with active COVID-19 cases is available [here](#).
- The list of long-term care facilities with deaths is available [here](#), which is updated weekly.
- To date, 3,519 individuals that were staff or residents of a long-term care facility have died.

The antibody COVID-19 test results report will be provided once a week and contains county, race and lab information on antibody COVID-19 tests conducted in Florida. The report for antibody tests conducted by private health care providers is available [here](#) and the report for antibody tests conducted at state-supported COVID-19 testing sites is available [here](#).

More information can also be found [here](#).
