From SLH: *Our main warehouse and office are located in Webster Massachusetts and we provide PPE (personal protection equipment) to all 50 states. Our motto is "We under promise and over deliver". SLH Medical Supply is a vetted and trusted source of many PPE products for businesses and organizations across the USA. Our client list consists of Hospitals, VA Hospitals, Colleges, USPS, Police and Fire Departments, Zoo's, Airlines, Dentists, Health providers, Hair Salons, Sporting events, Race tracks, Veterinarians and many, many more. Whether it's one mask and a bottle of sanitizer or mass bulk. We at SLH have an advantage over all competitors with one thing; when others fall short and have not been able too, we always deliver. *Register your company with us now and get the lowest competitive pricing and great customer service from our Heroes. We are continually adjusting our prices as the market changes. After registering you will be automatically sent to your account dashboard where you can access all pricing and immediately place orders.*

**How it works:** SLH will donate up to 10% commission back to CCMS on the order totals from the CCMS online store (before shipping and taxes), for everything purchased. CCMS will provide a portion of the proceeds to the Foundation of CCMS, our charitable arm.
