

February 17, 2021

Dear St. John Families,

I hope that this letter finds everyone safe and warm. I am thankful the children got to experience and enjoy snow on Monday. As the week progressed, the extreme weather has impacted our community with power outages, water loss, and damage to homes. I am praying for each of you, that God will keep you safe and provide for your needs.

It is with sadness that I must inform you that St. John ECC will be closed until further notice. Earlier this week, the school building lost power. Sometime last night a water pipe busted which spread water over 50% of the building. The maintenance team found the leak this morning and they are doing everything possible to assess the damage and repair the building. Unfortunately, I don't have an estimated timeline for when the school will be ready to return. We will keep everyone updated on the situation via email and our Parents of St. John Facebook page. I know that everyone will have many questions to ask. Please feel free to email (see link below) or call me and I will try to answer your questions the best I can.

**Blessings,**

Tiffany Bunker

**St. John ECC Director**
