

# Baby Moses

## Exodus 2

"Hush, little baby,  
Don't make a noise,  
Pharaoh's soldiers  
Don't like little boys."

The baby's big sister  
Ran for their mother.  
She went to get help  
For her baby brother.

"Now little baby,  
I've made you a boat.  
I'll put you inside  
And set you afloat."

Then Pharaoh's daughter  
Opened her purse  
And paid the baby's mother  
To be his nurse!

But Pharaoh's daughter  
Saw it nearby,  
And when she looked  
He started to cry.
