

2018 Year In Review

Membership

MOASC had 200 physician members, which included: Academic, Solo Practitioners, Groups and Retired Physicians. For more information, visit: www.moasc.org

OPEN - Oncology Patient Emergency Network

MOASC's proactive approach to emergency preparedness will assist patients by ensuring continuity of timely, life-saving treatment. Other benefits include: Access to alternative physicians; Medications available to alternative physician's office; Less stress dealing with insurance companies; Individualized wallet- sized card with critical diagnostic and treatment information. For more information, visit: www.OPEN-Central.net

LunchTime Series Teleconferences

JAN. Medicare Reimbursement in Oncology by: Bobbi Buell, onPoint Oncology, Inc.
