

Lung Cancer Webinar Series

February 23, 2022

6:00pm- PST

Description:

A lively discussion on the Treatment of KRAS mutated NSCLC. This will be a great opportunity to learn from key opinion leaders and network with colleagues.

Moderator

Hatim Husain, M.D.
University of California San Diego

Panelists:

Jonathan Riess, M.D.
University of California, Davis

Sukhmani Padda, M.D.
Cedars-Sinai Medical Center

Target Audience:

This educational activity is directed toward medical oncologists, nurses, nurse practitioners, physician assistants, and other professionals with an interest in hematology/oncology.

Benefits of Attending:

- Submit questions and cases for discussion with KOL's in the field;
- Hear the latest clinical trial data and apply it to your patients; and
- Consider real-world scenarios and how to mitigate barriers to treatment.
