This program is open to and intended for oncologists treating Myeloproliferative neoplasms: Myelofibrosis and Polycythemia vera.

The Virtual Case-Based Roundtable Meetings are a collaborative, small-group meeting designed around case-based clinical profiles and peer-dialogue led by an expert physician. This session offers practicing oncologists the perfect opportunity to sharpen their skills and expertise in treatment strategies. Attendees are paid $500 of compensation by Healthcare Research Analytics® for their attendance, participation & completion of the post-event HRA survey. Meeting specifics are outlined below, for reference.
