To attend this program, I attest that:

- I understand that coronavirus/COVID-19 is very contagious, that COVID-19 is believed to spread mainly from person-to-person contact, and that it is not possible to eliminate any and all risks related to the potential spread of COVID-19
- I am participating in this event voluntarily and at my own risk
- I am not experiencing any symptom of illness such as cough, shortness of breath or difficulty breathing, fever, chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell

I acknowledge that Janssen cannot guarantee that I will not become infected with COVID-19 (coronavirus) by virtue of attendance at this event and that Janssen has not made any representations or undertaken any obligations with respect to the venue of this event or the health of any staff or other participants. The number of attendees and the use of face coverings for this event will be determined based on local government guidance and a local assessment of risk.

Agenda:

- Impact of Oral Medication Nonadherence
- Risks Associated With Oral Oncolytic Nonadherence
- Real-World, Practice-Based Strategies to Support Oral Oncolytic Adherence
- Access, Affordability, and Treatment Support for Patients
