

## 2018-2019 Membership Application

In an uncertain economy combined with the rapid changes to healthcare and its delivery, you are required to stay one-step ahead and keep informed. In order to achieve success, you need the right tools and resources; **MOASC** is the association that can bring those tools to you and your practice. **ALL oncologists in California have benefited from MOASC's hard work, and success in:**

- Defeat of AB265: anti-charity bill prohibiting patient co-pay assistance. MOASC worked directly with the author, legislature and CMA.
- Walgreen/MOASC physician office specialty pharmacy development project. Satellite pharmacies in physician offices.
- Continued advocacy on 340B reform efforts.
