

2021 ACS CAN CALIFORNIA VIRTUAL POLICY FORUM CANCER RESEARCH THROUGH A HEALTH EQUITY LENS

November 18, 2021
5:00 pm - 6:30 pm PST

Join us to discuss cutting-edge breakthroughs in cancer treatment, care, and survivorship, and the policies that can ensure that these advances will be available for everyone. Esteemed panelists will share how their work contributes to health equity in cancer research. A moderated panel and Q&A to follow.
