PELHAM

FOOTBALL

Pelham Youth Football (PYF) has been one of the most successful tackle football programs in in the Scarsdale Recreation Youth Football League (SRYFL), with decades of rich tradition teaching the sport of football.

Our mission is to assist our local youth in developing the qualities of citizenship, discipline, teamwork, sportsmanship, and physical well-being. PYF's main goal is to utilize the platform of football to develop superior citizens rather than superior athletes.

The New Safety Standards in Pelham Youth Football

PYF is proactively adapting to the new techniques and initiatives being incorporated in the sport on all competitive levels. These include:

- Safety components and methods certified by USA Football's **Heads Up** program (usafootball.com/headsup)
- Limited periods of full-contact activity in practice during the regular season
- New blocking and tackling mechanics, including the "Hawk" style of tackling, designed to reduce helmet contact
 - Same method implemented by Pelham's Varsity program
- All tackle football players are issued state of the art helmets – the **Schutt Vengeance DCT**
- All players are required to wear the **Guardian Cap** soft shell helmet cover in practices and games, engineered to reduce impact by up to 33%
- Coaches educated in concussion recognition and response
- Practices are regularly attended by an EMT and a PYF-acquired AED is present at all practices
