

Perspectives on COVID-19 Survey Results

Overall Highlights

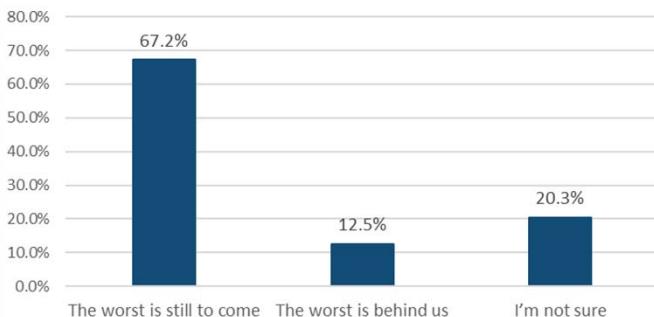

PARTICIPATION

64 Indigenous respondents from across Saskatchewan responded to an online survey between April 7-13, 2020
THANK YOU!

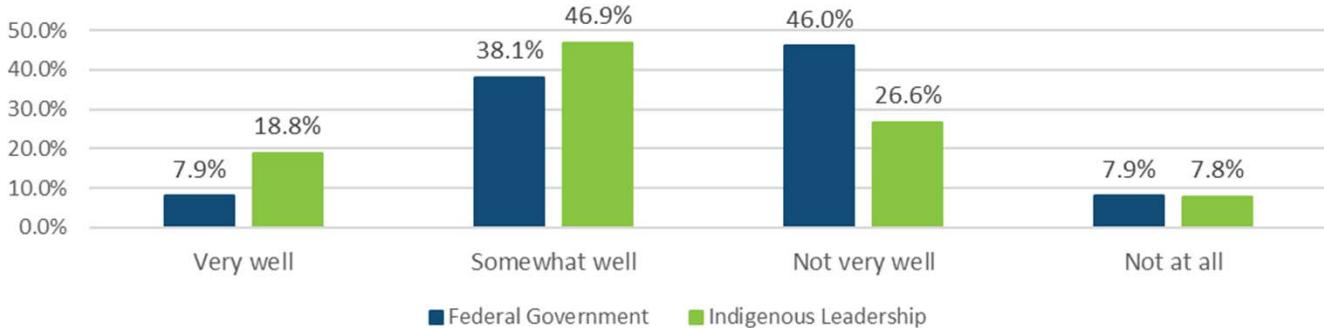

As an Indigenous person, what is most important to you during the COVID-19 pandemic?

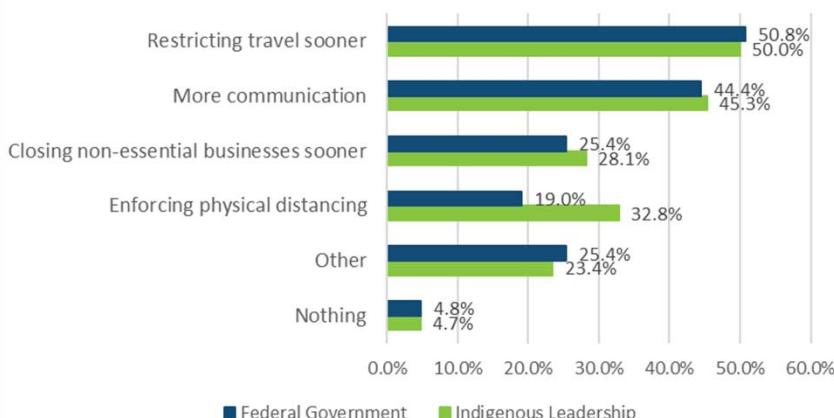

Which of the following best describes your view about the COVID-19 pandemic?

Overall, how well do you feel the Indigenous communities in Canada are being supported by the Federal Government and Indigenous Leadership since the onset of the COVID-19 pandemic?

What could the Federal Government and Indigenous Leadership have done to better respond to the needs of Indigenous communities?

Saskatchewan's population is comprised of 17% Indigenous people, yet the collective Indigenous voice is often silent at decision maker tables.

The Praxis Indigenous Panel provides an opportunity for Indigenous peoples across Saskatchewan to have their say on a variety of issues.
