## YOUR INDUSTRIAL PROBLEM SOLVER FOR 25 YEARS

Pro Metal Industries is one of the only First Nations-owned manufacturing enterprises in Canada, and the only 100% First Nations-owned military supplier.

Located in Regina, Saskatchewan, Pro Metal Industries is Western Canada's premier precision and custom manufacturing, assembly, and fabrication specialist.

By leveraging a proven, world-class process-based approach to service, we produce for our clients high-quality metal components, as well as welded and non-welded subassemblies for global OEM markets and other contract manufacturers.

The industries we serve include oil and gas, mining, government, utilities, military and defence, agriculture, clean technology, private business, and natural resource-based organizations.

**PRO METAL INDUSTRIES • 261 Sherwood Road • Regina SK**
