

Operation Santa

Santa is in need this holiday season.

Operation Santa, (501c3) is building a new ADA Santa House. Santa's wish is for every person to enter the house and capture the magic of the season with the same experience.

The Santa House has a rich tradition of bringing joy to many. People visit the Santa House and share the excitement of the holiday free of charge each year.

Please mail donations to Operation Santa, in care of The Hocking Hills Chamber of Commerce, P.O. Box 630, Logan, OH 43138 made payable to Operation Santa.

It is the hope of the organization to continue to build a winter wonderland in Worthington Park. This year it will be a new handicap accessible Santa House.

No donation is too small. Not all gifts can be found underneath the tree.

Love,
SANTA
