

2020 SMS Yearbook

It is time to order your 2019-2020 yearbook!

Capture the memories by purchasing an SMS yearbook. It will be a keepsake that you cherish forever. You have the option to choose the type of cover you want. A softcover yearbook will be available for \$19.00, while the hardcover yearbook will be available for \$25.00. For eighth grade students there is also an option to have a nameplate attached to your hardcover yearbook.

We don't want to miss any orders, so we are asking all families to return this form indicating whether they **will** or **will not** be purchasing a yearbook. Please return this completed form by Thursday, March 19th.

If ordering a yearbook, please remit your check made payable to "St. Matthias School" along with your order form. Please note that this will be the only chance to purchase a yearbook. Additional copies will not be available for sale at the end of the year, so seize the opportunity now.
