

Classroom Thermometers

**16th Annual Night of Winners
To support St. Matthias School
Saturday, February 13, 2021**

The temperatures may be dropping, but we are heating things up here at SMS for Night of Winners 2021, scheduled to take place on Saturday, February 13, 2021!

Due to the overwhelming success of our inaugural “Classroom Thermometers Campaign” to support Night of Winners in past years, we are bringing it back for NOW 2021!

The fundraising goal per classroom is \$100, and can be met through Free Will donations via Cash or Check (made payable to St. Matthias School), sent into the school office, or via the SMS HSA PayPal account using the following link:

<https://www.paypal.me/StMatthiasHSA>

Envelopes should be labeled as follows:

Night of Winners Classroom Thermometer Donation for (enter your child's name and homeroom here).

The Classroom Thermometers were a CRITICAL component of reaching our \$50,000 goal last year, which we hope to meet or exceed again this year with your generosity.

Any size donation is greatly appreciated, so let's turn up the heat together and watch the SMS fundraising temperature climb! Please send in all donations by **Friday, January 29th.**

The **TWO** classrooms raising the highest amounts will be treated to a socially distanced ice cream social.

The Night of Winners Committee thanks you for your support!
