

Dear Parents of St. Matthias Students,

Thank you in advance for all of your support of our school efforts to achieve our mission to engage each student spiritually, and academically in a Christ-centered environment, to prepare them to live as disciples and citizens. We take deliberate steps to invite all students to embrace the gospel message of reaching out to others. We also take deliberate steps to motivate the students to use their innate talents to help themselves and others to achieve while meeting their potential.

We have reason to celebrate as a school family. Two of our visionary seventh grade students, Gabby and Liam have initiated an After School Tutoring Program for our students in grades one through four. It is often the case that a student will comprehend fully a concept presented by one of our adolescent students far more clearly than when presented by an adult. It is in that spirit that Liam and Gabby have launched this program.

So, please give your attention to the categories below and indicate if your child is willing to be a participant in this program. They could be a Middle School student willing to tutor or an early learning student ready for some practice and reinforcement. There will be adult supervision provided.

The dates for the Program will be: Wednesdays, February 6, 13, 20, 27 March 6, 13 and 20. The sessions will run from 2:30-3:45. Students will need to be picked up at 3:45 if they are not in ASP. All ASP students will be escorted to the ASP program immediately after tutoring. There is no cost to this program. This is all about students helping students. The registration response below is due to the main office by Friday, January 25.

+++++

_____ in grade 6-7-8 is willing to serve as a tutor in this After School Program.

His/her greatest area of strength is _____Oral Reading_____Phonics/Word Study _____Writing
