

2020 OKLAHOMA CAPACITY SURVEY

Dear Parent,

The Catholic Diocese of Dallas has partnered with the Oklahoma Center for Education Policy to produce annual capacity reports for the Catholic Schools. These surveys are sent to principals, faculty, students and families. You are invited to participate in this study which asks your opinion regarding aspects of the school that your child(ren) attend(s), such as the quality of the school environment, student learning, and interaction with teachers and school administration.

Your honest input will greatly assist our efforts to provide a higher quality learning experience to our students, get a deeper insight in the overall school performance, and identify areas for improvement.

Your participation in this survey is voluntary and all responses will be completely **confidential and anonymous**. Your personal information or survey responses will not be shared with anyone from the school.

The school will send you the link to the electronic survey by email. Both English and Spanish versions are available. **The survey window opens at 2/19/20 and will close on 3/11/20.** Please check both your inbox and spam/junk folders for an email from the school for the link to complete this survey. If you do not receive one, please let us know.

Thank you for taking the time to contribute in this important endeavor to improve the Dallas Catholic Schools. Please contact the school if you have any questions or need additional information. You may also contact Jordan Wade at the Oklahoma Center for Education and Policy by phone at 208-407-1983, or by email at warejo@ou.edu.

Thank you for your valued opinion!
