## Creating A Vision for A Good Life

The LifeCourse Framework and Tools were created by families to help individuals and families of all abilities and ages to:

- Develop a vision for a Good Life;
- Think about what they need to know and do;
- Identify how to find or develop supports;
- And discover how to have an "Everyday Life" in their community.

Join us to learn about PA's Community of Practice for Supporting Families and how to use the LifeCourse Tools in your life.
