General Manager’s Message

Wow! It’s already January, 2019 and I wish everyone a healthy and happy New Year. I’ve been on board for a total of two months now and our new F&B Supervisor, Carol Hanna, has been on board for a total of two weeks. We still have a lot to learn but have been absorbing information and learning more about the events, the club and the members. As we move forward through 2019 our goal is to streamline and tailor new programs and develop a plan to grow the golf membership base and the social membership at Miles Grant Country Club. This is truly a hidden gem at the end of Cove Road and should be explored by more people to discover what we have to offer.

To recap December, the Tree Lighting Dinner was a great night to see the members and enjoy all the work by Cindy Burbine, Sue Anne Saleeby and all the elves assisting in decorating the trees.

Also, the Ladies Holiday Luncheon was a huge success with about 150 people in attendance, a much larger turnout than the previous year.

Upcoming Events in the month of January include:
- New Year’s Eve party on Monday Dec. 31st
- Welcome Back Brunch on Sunday, January 6th
- Rod Stewart (Impersonator) Dinner Show on Saturday, January 12th
- Ladies’ Night Out on Tuesday, January 22nd

As always, the management team from Miles Grant looks forward to seeing you around the club as we kick the season off into high gear!

Ian Nicoll
General Manager

Fairway Ladies

Our Annual Christmas Scramble with the Miles Grant Ladies WGA 18 was rained out after two or three holes. Disappointing because so many had a good game going. Perhaps we play better in the rain. After getting soaked, we went home, dried our clothes and returned to enjoy a delicious lunch together arranged by Norma Rumbaugh.

Our President’s Cup is coming up January 15 and 17. The following Thursday, January 24 is our Miles Grant Golf Invitational. Please sign up in the Lady Bug Room and deposit your check in the envelope attached.

Also, several golf invitationals are coming up in January and February. Check the bulletin board in the Lady Bug Room to sign up for those you are interested in attending.

PEG ANSBRO REPORTS:
Our annual WOODS and WHITES tournament will be held on Saturday, January 26th with a rain date of Sunday, January 27th. The fun begins at 10 am and is open to all MG Social and Tennis members. Please join us to play tennis the “Old Fashioned Way.” The Tennis Association will provide the wooden rackets. Croquet will also be played on our croquet lawn. This year our tournament will be to honor the memory of two wonderful men who gave so much to Miles Grant. The tennis tournament will be in memory of Curt Coutts who was so influential in our tennis program. Our croquet tournament will be in memory of Herb Rumler who ran our croquet tournaments. We will miss these two men and hope many of you will come to this very special Woods and Whites event.

Just come in your finest “whites” to capture a prize! There is a $10 fee to play tennis or croquet. An “Old Fashioned BBQ” of hamburgers and hot dogs will follow at 12:30 at MGCC. The cost will be $15.95!

The Women’s Tennis team is in full swing. It is fun having our snowbirds back playing with us.

Dave Coutts, our tennis pro, is conducting tennis clinics several days during the week and is always available for lessons. Just call Dave at 410-980-6222 or email him at coutstennis@gmail.com. Dave also conducts PICKLEBALL games/lessons every Thursday from 3 to 4:30 at the Club tennis courts. It is so much fun! Come over and enjoy a great sport!

The Tennis Association extends best wishes for a new year full of good health and happiness!

PETER HAUTH REPORTS:
Miles Grant Tennis is starting another new season. On December 6 the Men’s B-2 3.5 season started with our home match against the Monarch Country Club. We lost a close match by a 5 - 6 score. The next match against North River Shores was rained out and had to be rescheduled.

We had a great and active Summer Tennis Season with over 50 seasonal members participating. Most of the players on our teams are seasonal members and this certainly improves our program as well as our standing as a Miles Grant Community. We continue to have our weekly early morning games on Mondays, Wednesdays and Fridays at 7:30 am.

During the summer, we further improved our guest area by buying new windscreens which are adorned with the new Miles Grant logo. To save some money, we cut, sawed and assembled the tables and benches ourselves.

We also will continue our Senior Tennis program and continue to look for players. The Senior Tennis League will start in the New Year.

Cove Readers

I hope you have had a healthy, happy summer. Our first meeting of 2019 is January 7 at 3:45. We will discuss Before We Were Yours by Lisa Wingate. This is based on actual history and is a very popular, good read. Books for February book club will be distributed. Please feel free to invite new people to join us.

See you soon,

WGA18 News

Golf's New Rules start 1/1/2019. Some new changes will be: how to drop a ball under the rules, time for lost ball search, repairing spike marks on greens, leaving the flagstick in the hole and relaxed rules in Penalty Areas. Some current rules are still in effect. See yah on the course.
