Re: Community Service & Outreach

Dear Sir/Madam:

Victory Church of God is one of many organizations in the community reaching out to assist children & families in our neighborhood. On August 19th – August 20st 2017, we will be having a Community Outreach event in the North Bellport Area during which we plan to have activities for kids, distribute school supplies, provide food & different services to needy families.

With this in mind, we are requesting your participation to help make this event as successful as possible to assist as many families as we can through donations of items or monetary donations and a business card with the services you provide to be listed in our community guide.

If you would like to assist us in this endeavor please give our representative the information &/or items or contact:

Camille Seaton @ (631)654-9284 ext. 5 Mon-Wed, 9am-4pm, to verify this request or to let us know what you will donate. Or you can drop off your donations to our office located at 1343 Montauk Hwy in East Patchogue during the above listed hours.

Thanking you in advance for your generous donation.

Sincerely,

Community Pastors
