

SCC LEARNING COLLABORATIVES

*The Suffolk Care Collaborative welcomes you to join us for our new
2017 Learning Collaboratives!*

What is New?

The Suffolk Care Collaborative has partnered with Center of Excellence for Integrated Care (COE) to offer our primary care and behavioral health providers the opportunity to participate in an informative and interactive learning collaborative series.

The COE will be leading bi-monthly learning collaboratives to discuss pertinent topics in integrated care. During each one-hour live webinar, the COE will present 25 minute “quickinar” on the specified topic, followed by a question and answer session. Based on the quickinar topic and discussion, recommendations and strategies for participating sites will be presented.

All learning collaboratives will take place from 12:00pm -1:00pm. To register, please use the following link:

Who is the COE?

The Center of Excellence for Integrated Care is a program of the Foundation for Health Leadership & Innovation that assists health systems in integrating their physical and behavioral healthcare. The COE utilizes tailored, evidence based approaches to fit local needs in order to serve as a resource for assessment, training, and technical assistance to a variety of Organizations.

For more information, visit their website at <https://foundationhli.org/programs/center-of-excellence/>

Date	Topic
