
HALI COMMUNITY WELLNESS AND RECOVERY CENTER

159 BRIGHTSIDE AVE., CENTRAL ISLIP, NY 11722, 631.234.1925

ARE YOU UNSURE OF WHEN TO BE SCREENED FOR BREAST CANCER?

DO YOU KNOW THE RISK FACTORS FOR PROSTATE CANCER?

MONDAY,
November
19th
12:00PM at
HALI

The Peer Educators from the Breast & Prostate Peer Education Project can provide free education to men and women about breast and prostate cancer! Whether you have insurance or not, they can answer your questions and more!

Meet at HALI with an educator from Peconic Bay Medical Center to learn more about no cost screenings and to answer any questions you may have.

MUST BE 18 YEARS OF AGE OR OLDER
