

December 14 & 15, 2017  
9:00am – 4:30pm

## National Diabetes Prevention Program

*Training conducted by Department of Health Services  
Diabetes Prevention Program Master Trainer*

Attendance at this two day training will enable Lifestyle Coaches to:

- Describe the DPP study
- Utilize several coaching techniques
- Discuss the benefits of being active
- Prepare an Action Plan
- Deliver NDPP Lifestyle change program

Lunch provided by  
The Suffolk Care Collaborative

**Location:**  
Suffolk County Department of Health  
Office of Health Education  
725 Veterans Highway  
Training Room, Bldg. C016  
Hauppauge, NY 11788

- Does your organization have an MOU with NYS QTAC or the CDC?
- Does your organization have access to individuals at risk for type-2 diabetes?
- Does your organization have staff to deliver the NDPP?
- Does your organization have financial means to sustain the NDPP?

If so, and you are interested in becoming a National Diabetes Prevention Program Lifestyle Coach, please call Debora Rippel at 631-853-2928.

**Registration Deadline:** December 1, 2017
