

## For a Cause

For the past 10 years after Halloween, our family starts gathering “**Post Halloween candy**” from those who wish to donate them.

Inspirational candy bags are created from the donations which are then given out with HOT meals that are served on Thanksgiving day on the Streets of Harlem along side with Sister Mary (She is in the Grey sweatshirt holding a cup of soup), the founder of YES! Solutions.

We have made anywhere from 600 – 1000 candy bags depending how much we receive.

Last year we made about 1700 inspirational candy bags. 10 organizations including Yes! Solutions received bags of candies.

Please consider donating your CANDY for a CAUSE!

Thank you!

With much appreciation,

Ryan, Remy and family
