Next Steps for 1915(c) Transitioning Waiver Providers

1. Ensure all 1915c waiver providers are connected by HCS and have a BAA with a Health Home Serving Children
2. Each 1915c waiver providers will need to identify a MAPP HHTS Gatekeeper by November 17, 2017 – announcement forthcoming
3. Connect all 1915c waiver provider's staff to roles within the MAPP HHTS and UAS-NY
4. Health Homes to connect with 1915c waiver providers to determine a training schedule for staff regarding HIT systems and policy/procedures

Reminder – UAS and MAPP Training is Available Now

Training has already begun!!

DOH Health Home Children's team is currently working with 1915(c) providers to ensure system access and connectivity to Health Homes. By November 2017 - 1915(c) waiver providers should complete activities that will provide access to required Health Home systems.

- Organizations need access to the Health Commerce System (HCS) and a role type of Health Home Care Management Agency (CMA)
 - All staff who will be working within MAPP HHTS and the UAS-NY **MUST** have active HCS accounts

MAPP HHTS

- The Organization will then be entered into MAPP HHTS
- The Organization assigned Gate Keeper will receive an email for training on MAPP roles
- The Gate Keeper will assign staff roles within MAPP
- Staff will then receive an email regarding on-line MAPP HHTS training – you can begin training now

UAS-NY

- The designated HCS Coordinators can assign staff roles within the UAS-NY
- When staff have an active HCS account and an assigned a role within the UAS-NY, staff will receive an email regarding access to online training – you can begin training now

Additional in-person trainings will be available 2017-2018 for CANS-NY tool
