- No make-ups or pre-shoots allowed, targets must be turned in during the two week segment
- Participants will shoot 50 targets on the **Blue** 5-Stand and 50 targets on the **Red** 5-Stand, every two weeks
  - 50 target menus will be provided at each of the 5-Stands
  - Powder Creek recommends shooting the **Red** 5-Stand earlier in the day because there are no overhead field lights at that venue. However, please be aware, some distant **Blue** 5-Stand targets are also difficult to see in the field lights after it gets dark. Therefore, we recommend shooting both fields before it gets dark...
