

## No Show Team PSA

**With the possibility of full team no shows during this season, Powder Creek Shooting Park asks if you are aware that your whole team will not be present for a scheduled league night, you owe the captain of the team after you (and before you if you happen to be scheduled to pull at 6:35) a phone call at least 3 days in advance that you will not be there to pull for them. This will give them time to find a sixth person to pull and score for them. I will also reiterate that Employees will be available for: Filling trap houses, equipment break downs, and any other issues that occur, we only require the teammate staying behind to keep score and hit the pull button. We appreciate your cooperation in aiding your fellow teams and making Trap League just as fun as before.**
