

# REGISTRATION INFORMATION

## 10<sup>th</sup> Annual HIV Clinical Care Symposium for North Country Providers Crowne Plaza Lake Placid

Wednesday, October 16, 2019

**There is no registration fee.** Please register by **October 9, 2019**. Seating is limited and space may fill up prior to this date. Register ASAP to ensure a spot. *No walk-ins please.*

**New registration process effective July 1, 2019.** The AIDS Education & Training Center (AETC) has transitioned to an online registration process for all programs. If you work at a location that does not allow internet access from a work computer/device, please register from a personal one. We are no longer able to accept registrations by fax or email.

**To register, go to:**

<https://www.e2NECA.org/?r=WSX33>

**Please bring your registration confirmation with you.** This is required to enter the program and will be e-mailed to you upon registration. A reminder email with more details will be sent 1 week prior.

**Questions?** If you have any questions about the online registration process or have an extenuating circumstance that prevents you from accessing the online registration link, please contact John Prokop at 518-262-6864 or [prokopw@amc.edu](mailto:prokopw@amc.edu)

**Changes occur rapidly in the field of HIV Medicine.** This course is designed to provide practitioners with the most up-to-date clinical information on a variety of topics to assist in their care of patients living with HIV. Presentation formats include didactic sessions and interactive case presentations, followed by question and answer periods.

**By the end of the activity, the learner should be able to:**

- *Review common medications used in HIV treatment in 2019.*
- *Describe implications of most recent guideline recommendations as they relate to what antiretroviral therapy to start in naive patients, and when to start.*
- *Discuss the rationale for the rapid initiation of antiretroviral therapy following an HIV diagnosis.*
- *Discuss the clinical manifestations of syphilis and recommended treatment regimens.*
- *Discuss the current guidelines for initiating HIV pre-exposure prophylaxis (PrEP) and best practices for implementation in a clinical setting.*
- *Discuss the epidemiology of opioid overdose, medication assisted treatment therapies and overdose interventions.*

**Hotel:** If you need overnight accommodations, a group rate is available at the Crowne Plaza Lake Placid at \$119.00 per night plus tax for a traditional room. A lake view room is \$129.00 per night plus tax (subject to availability). Please mention Albany Medical Center and this conference when calling the Crowne Plaza Lake Placid at 1-800-874-1980. **Please contact the hotel by Monday, September 16, 2019 to ensure the group rate.** Travel expenses are the financial responsibility of the registrant.

**Special Thanks:** This symposium is a collaborative initiative among Albany Medical College Division of HIV Medicine and the Northeast/Caribbean AIDS Education & Training Center.

We extend our sincere appreciation to several pharmaceutical exhibitors for their support of this educational event. A complete list of exhibitors will be provided in conference materials.

**There is No Tuition. Registration is Free.** See the next page for detailed registration information.
