

Mayline Donation to Senior Activity Center

Wednesday, August 16th was an exciting day at the Senior Activity Center of Sheboygan. That was the day that 48 chairs were delivered to us, courtesy of a generous donation by the Mayline Corporation. The Department of Public Works needs to be thanked also for assisting in the delivery at very short notice.

A plea went around the senior center asking for help to unwrap the boxes and volunteers completed the task in 18 minutes! Everyone wanted to test the comfortable and beautiful chairs which received rave reviews.

The chairs sit in a multi-purpose room at the Senior Activity Center where many groups enjoy activities such as bingo, bridge, knitting club, university lectures, Mah Jongg and the Aging Mastery Program. The chairs will be appreciated every single day!

Special thanks to David E. Markgraf, New Product Development Operations Manager, Sheboygan and Theresa Thompson, Director of Finance and Customer Care, Minneapolis for coordinating the donation and the smooth delivery.
