

SHORELINE METRO HAD A “TROLLEY” GOOD TIME IN 2017!

HISTORY

During the winter of 2014 at a Business Improvement District meeting, business owners expressed an interest to connect Sheboygan’s South Pier, Riverfront and Marina with the downtown. After exploring the possibility of a walk bridge over the Sheboygan River, an idea of a bus route, or trolley route, was tossed out. Fast forward six months and in June 2015, the birth of the new Trolley Route, originally called the Harbor Centre Express, was born. Today, the trolley route runs Memorial Day to Labor Day and is called The Square, appropriately named after the rebranded name of the business improvement district, Sheboygan Squared.

SHORELINE METRO PURCHASED TROLLEYS TO BE USED ON THE SQUARE DURING THE SUMMER. IN 2017, RIDERSHIP INCREASED 47% OVER 2016 AND HAS INCREASED BY 95% SINCE 2015.
