

CreditOne Credit Union has ribbon cutting

The Chamber of Commerce celebrated UnitedOne Credit Union's new branch opening with a ribbon cutting. Manning the scissors was Chairman of the Board John Schultz flanked by COO Tammy Pelletier and Branch Manager Olivia Zeman. The new branch is located at 733 North 8th Street, downtown Sheboygan, in a storefront attached to the new Encore Apartment complex. They have extended service hours due to these cool new "Personal Teller Machines"; you get a live video transaction with a United One employee. Go see Olivia and have her give you a demo today!
