

Ava Rabinowitz's Bat Mitzvah Project!

“Hi, I’m Ava Rabinowitz, and for my Bat Mitzvah project, I decided to partner with the [Donate2Dance](#), an organization that helps provide dance equipment to communities in need.

"Dance has been an important part of my life and I would like to help other young dancers have the best dance experience possible regardless of their means.

"I will collect new/lightly used costumes and dance wear. Dance wear includes: dance shoes, leotards, and tights. I will be donating what I collect to dancers who don't have access to proper equipment. Please donate costumes or shoes if you can, but if you do not have items to donate you can instead make a monetary donation that I will use to purchase supplies."

A special box will be available at TBC through September for donating dance items; monetary donations may be made using the [TBC donation form](#) for the Social Action / Tzedakah fund with an indication that it's for Ava Rabinowitz's bat mitzvah project.
