

### **St. Veronica Accelerated Reader Summer Program**

We are excited to partner again with the Clermont County Public Library to offer our Accelerated Reader summer school program. The dates for AR summer school are **June 3<sup>rd</sup>-August 16<sup>th</sup>**. Those who register for our AR "summer school," and pass three AR quizzes, will receive a back to school goodie bag and free book. Students who pass five or more quizzes will receive one entry for a back to school raffle basket and receive consecutive raffle entries for each set of five quizzes passed. There will be a \$25 Amazon gift card for the student with the highest AR points overall in each grade category, K-2, 3-5, 6-8.

The AR program is a satisfying and fun learning experience for students as they choose their books and work at their own pace. Please follow the instructions below to register your student for AR summer school at the library. Each Clermont County Public Library location has a desktop shortcut setup for our AR program, but participation will need to be at a Clermont County Library location.

All students who are registered will receive instructions and login information. Additionally, the public library runs its own summer reading program with prizes and incentives students can participate in during their visits to the library. Your student may participate in both programs by reading books for their school AR program! Just keep in mind that is a different registration/setup from the school AR program. Thank you for your support of your child's summer reading! Have a great summer!

Want to look up a book to see if it is an accelerated reader book? [www.arbookfind.com](http://www.arbookfind.com)

**Please cut the form on the line below and return to Angela Heilmann, Librarian.**

**One form per student please. Questions?**
