

## 2023 Art Menges Technology Scholarship Application

Mr. Art Menges was the Technology Coordinator for St. Veronica School from 2013-2018. In 2018, Mr. Menges passed away suddenly. Many knew him as a man of compassion, lover of nature, photographer, teacher, and friend. As we remember the dedication and love that Mr. Menges gave our school and parish community, we keep his spirit alive with a scholarship fund in his name.

This \$500 Art Menges Technology Scholarship award will be given to a current St. Veronica 6<sup>th</sup> or 7<sup>th</sup> grade student who not only displays a knowledge and desire to learn technology and use it appropriately, but also lives a life of compassion and service to others, much like Mr. Menges.

### Criteria for Scholarship:

- Student must be entering 7th or 8th grade.
- Student has a genuine interest in technology and shows that interest in the school environment.
- Student uses technology appropriately both at home and at school.
- Student demonstrates a Christian character and compassion for service to others.
- Student shows a willingness to help others.
- Student has no grade lower than a "C."
