

# SafeParish™ – Child Protection Program

**SafeParish™** is a management platform that provides training, education, information, and programs for Catholic organizations. It is a child and workplace safe environment program specifically designed for Catholic entities. **SafeParish™** educates adults who work with or around children on the vigilance and steps necessary to protect children from child abuse.

Every person in contact or interacting with youth must register and complete the **SafeParish™** Protecting Children from Sexual Abuse online-training session before they are permitted to work or volunteer within any of the Archdiocese of Cincinnati or schools. You must be 18 years or older to complete the training.

---

1. Register your **SafeParish™** account at [aocsafeenvironment.org](https://aocsafeenvironment.org).
2. You are also required to complete the electronic/online background check through [SELECTION.com](https://selection.com) prior to beginning your volunteer activity. You can find this link when registering your **SafeParish™** account.

The registration passcode is: protectcincy

---

## NEW

In addition to completing the training, employees and volunteers must stay current in their interactive, video-based **SafeParish™** quarterly bulletins on Child Protection. Non-compliance will result in inactivation of your **SafeParish™** account, and you will no longer be permitted to work with youth until compliance is reestablished.

You will be informed when it is necessary to watch the quarterly **SafeParish™** interactive videos.

Contact the Parish Office at 513-528-1622 if you have any questions regarding your **SafeParish™** account.
