

DYNAMIX SHOW CHOIR

We feel confident in our safety procedures we've established in order to hold Show Choir this year. We will be following the same safety protocols that we have in VE. We will not be singing and dancing at the same time.

After learning a song, students will audio record themselves performing it from home. It will be edited into an mp3 that the students will dance to with a choreographed routine.

Show Choir is only for students in grades 7-8 who are also a part of the VE. There will be not be any auditions to join Show Choir this year.

Cost: There is a one time fee of \$45 to join the Show Choir for the whole school year. Please make all checks payable to St. Veronica School. As of right now, we have taken away the costume fee. Our "costumes" for the virtual Christmas concert will consist of items most students already have at home. We will reevaluate the situation after Christmas to determine what to do for spring.

Rehearsals: Dynamix will rehearse once a week on Mondays from 4:30-5:00PM (immediately following VE rehearsal). We will not hold lunch rehearsals this year until it is deemed safe to do so.

Performances: We will not be having any live performances between now and Christmas. However, we will pre-record rehearsals and edit things together to present a virtual Christmas concert that you can share with family and friends. We will reassess things in January and beyond to see if/when we will be able to have any performances or attend any competitions in the spring.
