****SPECIAL ANNOUNCEMENTS****

-We will be practicing on stage in the gym on Thursdays and Fridays beginning in November. Please pick up your child in the back of the school. Rehearsals end at 5:00PM.

-We begin rehearsals at 3:20PM. If they wish, students can bring a change of clothes and a snack to eat while they wait for rehearsals to begin. Please remind your children that they are responsible for picking up any food or garbage they leave behind while snacking.

-Students must bring their scripts and a pen to each rehearsal. Many students find it helpful to bring a binder with paper in it to write down notes, blocking, choreography, etc.

-Each scene needs to be memorized on the day we have rehearsal for the scene. I recommend putting a copy of this schedule somewhere your child will have easy access to so they can look ahead on what they need to know.
