

2017-2018 St. Veronica Yearbook

Welcome to the 2017 -2018 school year. As you are aware, the task of taking the candid shots that makes the yearbook so special falls upon each of us so there are enough pictures to fill the book with loving memories. Pictavo is the publishing site that we will be using to design the yearbook. All photos that will be in the yearbook will need to be uploaded through a phone app or the Pictavio website.

TO UPLOAD PICTURES FROM CELL PHONE

Sending pictures to Pictavo is just as simple as posting them to Facebook. Just search for the Pictavo Community app, install it, and follow the instructions below. It is really easy to upload on the go!
