

# Virtual Summer Music Classes

## 2020

- All classes are taught online by Mr. Gardner and take place every week on Tuesdays & Thursdays beginning June 16 and 18. There are 8 weeks of online classes. The final schedule will be sent out in early June once all registrations are received
- Don't worry if your child will miss some class time due to vacation plans—these classes are designed so that a student can miss a couple yet still be able to catch up easily
- Not tech saavy? Have no fear—this is brand new to most of us! We can walk you through any technical issues step by step if needed. Most of the tech uses will be using Zoom, recording videos and audio using a phone/tablet/laptop, and uploading files to the internet.
- All of these classes will have some type of “virtual performance” to be viewed by family and friends.
- The official summer schedule and all class details will be emailed to you before the end of the school year
