

Dear St. Veronica Parishioner,

I am forming a **Men's Discussion Group** at St. Veronica and want to know if you would be interested in joining. This group has been approved by the Directors of St. Veronica Church.

The **Men's Discussion Group** is not a prayer group or a Bible study group; it is simply a group for the men of St. Veronica to network, converse, debate, and discuss ideas and issues that are important to them; **from political issues and government to health and wellness to work and family.**

*Who doesn't like a good debate?*

I fear men have stepped away from meaningful public discourse following the advent of social media.

This group seeks to reconnect men on a political and social level, beyond small talk and Facebook, and encourage personal and social development through **fellowship, congregation, and support.**

**Let's get together and have a conversation!**

## About Me

My family and I have been parishioners at St. Veronica for a little over a year. I was born and raised in Cleveland, but moved to Cincinnati 15 years ago to become a Cincinnati police officer. I served for 15 years with CPD (the last five years as a sergeant), but resigned in January 2019 to study photography, spend more time with my wife and two children, and become more civically engaged.

**Are you interested in being a part of the Men's Discussion Group? Do you have questions?**

Please call, text, or email me if interested - I'll be collecting names and contact information of those who are interested before scheduling the first meeting. Or look for me in person at REP pickups/events and 8am Mass on Sundays! Look for the tall guy that sits with his family off to the right half way back.
