

AT ROUNDUP RIVER RANCH, KIDS WITH SERIOUS ILLNESSES GET TO EXPERIENCE EXTRAORDINARILY "ORDINARY" CHILDHOOD FUN.

## MEET DAVID.

The amazing thing about Roundup River Ranch is how camp makes it possible for every camper to shine, just like David.

During his first ever Summer Camp, David experienced the healing power of laughter, friendship, and shared experiences with kids just like him. He found the courage to try new things and made new friends (who love Batman as much as he does)! A shining moment, was at Stage Night, when David sang his heart out to Lionel Richie - a memorable camp performance for everyone.

*"After camp, David was so proud to tell people about the things he did at camp, playing games, singing karaoke, fishing, etc. He moved with a sense of belonging that was independent from me and the family. It was a very healthy growth experience for him." - Toffeta, Camper Mom*

NEVER UNDERESTIMATE  
THE HEALING POWER OF  
THE SIMPLE JOYS OF  
CHILDHOOD.

Extraordinary camp experiences  
for kids with serious illnesses and  
their families. Always free.

RoundupRiverRanch.org

# NO ONE HERE IS "A PATIENT." EVERYONE HERE IS A FRIEND.

(And a silly song singer. And a late-night joke teller. And a giggly spaghetti slurper.)

For kids with serious illnesses (and their awesome families), we offer extraordinary camp experiences and the blissful joy of being an "ordinary" kid. Campers join us at our campsite from across Colorado as well as a 10-state region. Additionally, campers join us from the comfort of their own homes or hospital rooms through our Outreach Programs. They are surrounded by others with a similar life journey, which creates lasting friendships.

**No camper ever pays a penny.**  Roundup River Ranch is always free of charge. Funded by donations and grants, the generosity of the community and countless volunteers make camp possible. That adds up to some very real reasons why our campers need the support of awesome people like you. Colorado residents who donate to camp may be eligible to receive an additional 50% state income tax credit through the Colorado Child Care Tax Credit. Give at [RoundupRiverRanch.org/donate](http://RoundupRiverRanch.org/donate).

**Campers receive comprehensive, individualized medical care provided in a state-of-the-art facility at our campsite.** Our medical facility, The Depot, is stocked with all the medical equipment and supplies needed to provide urgent, emergent, and routine pediatric care. A diverse group of medical professionals leave their lab coats and scrubs behind to volunteer at camp.

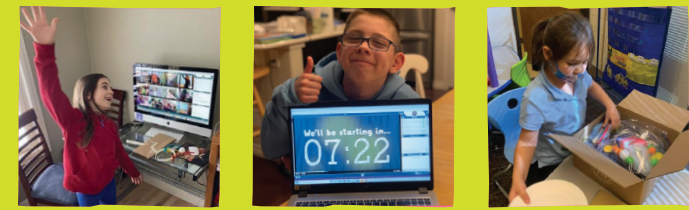

**Big hearts and willing hands - our volunteers.** It takes a lot of big hearts and willing hands to keep up with so many vibrant, excited, deserving campers and their families. Volunteer jobs range from working outside on our beautiful grounds, helping in the kitchen, cleaning up after meals, serving as a counselor, and offering support and encouragement.

**Connected by a powerful commitment to childhood.**

Roundup River Ranch is a part of the SeriousFun Children's Network, a global community of 30 Member Camps and Partnership Programs founded by Paul Newman. Independently managed and financed, Roundup River Ranch satisfies strict criteria to be included as a member of SeriousFun Children's Network.
