

VOLUNTEER DRIVERS NEEDED!

Gift the gift of independence!

Do you have **two hours, once or twice a month**, to help someone who will never be able to drive?

You can help your neighbors who have intellectual and developmental disabilities with simple trips... to Special Olympics events, part time jobs, social events or school.

You don't have to drive both ways or wait for the rider. DRMAC provides training that will make you comfortable and may even lower your auto insurance costs!

**Give someone a lift-
and the gift of independence!**

For information, call **720-655-5656**
